a. Any bid/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/modification is considered a late bid/modification. The time/date stamp clock located in the Purchasing Department shall serve as the official authority to determine lateness of any bid. A late bid/modification will not be considered for award except under the following conditions only:

1. It was sent by registered or certified mail not later than the fifth (5th) calendar date prior to the date specified for receipt of the bid/modification; or

2. The bid/modification was sent by mail and it is determined by the Procurement Official that the late receipt was due solely to mishandling by the Town after receipt at the address specified in the solicitation.

6. WITHDRAWAL OF BIDS –

- a. A Bidder for a public construction Contract, other than a Contract for construction or maintenance of public highways, may withdraw his or her bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a Bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. The Bidder shall give notice in writing to the Procurement Official of his or her claim of right to withdraw his or her bid within two (2) business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice.
- b. A Bidder for a Contract other than for public construction may request withdrawal of his or her bid under the following circumstances:
 1. Requests for withdrawal of bids prior to opening of such bids shall be transmitted to the Procurement Official in writing.
 2. Requests for withdrawal of bids after opening of such bids but prior to award shall be transmitted to the Procurement Official, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the Town may exercise its right of collection.
- c. No bid may be withdrawn under this paragraph when the result would be the awarding of the Contract on another bid of the same Bidder or of another Bidder in which the ownership of the withdrawing Bidder is more than five percent.
- d. If a bid is withdrawn under the Town of this paragraph, the lowest remaining bid shall be deemed to be the low bid.
- e. No Bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the Contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

f. If the Town denies the withdrawal of a bid under the provisions of this paragraph, it shall notify the Bidder in writing stating the reasons for its decision and award the Contract to such Bidder at the bid price, provided such Bidder is a responsible and responsive Bidder.

g. Work papers, documents, and materials submitted in support of a withdrawal of bids may be considered as trade secrets or proprietary information subject to the conditions of the Virginia Freedom of Information Act.

7. ERRORS IN BIDS – When an error is made in extending total prices, the unit bid price will govern. Erasures in bids must be initialed by the Bidder. Carelessness in quoting prices or in preparation of bid otherwise, will not relieve the Bidder. Bidders are cautioned to recheck their bids for possible error. Errors discovered after public opening cannot be corrected and the Bidder will be required to perform if his or her bid is accepted.

8. IDENTIFICATION OF BID/PROPOSAL ENVELOPE – The signed bid/proposal and requested copies should be returned in a separate envelope or package, sealed and identified with the following information:

If a bid/proposal is not addressed with the information as shown above, the Bidder/Officer takes the risk that the envelope may be inadvertently opened and the information compromised, which may cause the bid/proposal to be disqualified. Bids/Proposals may be hand delivered to the designated location in the office issuing the solicitation. No other correspondence or other proposals should be placed in the envelope.

9. COMPLETENESS – To be responsive, a bid must include all information required by the solicitation.

10. At the end of the one hundred twenty (120) calendar days the bid/proposal may be withdrawn at the written request of the Bidder/Officer. If the proposal is not withdrawn at that time, it remains in effect until an award is made or the solicitation is canceled.

11. CONDITIONAL BIDS – Conditional bids are subject to rejection in whole or in part.

12. BIDS FOR ALL OR PART – Unless otherwise specified by the Procurement Official or by the Bidder, the Procurement Official reserves the right to make award on all items in the aggregate or on any of the items on an individual basis, whichever is in the best interest of the Town. A Bidder may restrict his or her bid to consideration in the aggregate by so stating but shall name a single unit price on each item bid. Any bid in which the Bidder names a total price for all the articles without quoting a unit price for each and every separate item may not be considered for award.

13. PRICING – The subsequent Contract will be a firm-fixed price agreement. The fee(s) will remain firm and will include all charges that may be incurred in fulfilling the requirements of this initial Contract. If the Town elects to exercise the option to renew the Contract for an additional one year period, the Contract price(s) for the additional year shall not exceed the Contract price(s) of the original Contract increased/decreased by no more than the percentage increase/decrease of the other services category of the CPI-U section of the Consumer Price Index of the United States Bureau of Labor Statistics for the latest twelve months for which statistics are available.

14. TIME FOR RECEIVING BID – Bids received prior to the time of opening will be securely kept, unopened. The representative of the Procurement Official assigned to open them will decide when the specified time has arrived, and no bid received thereafter will be considered. Should a Bidder find discrepancies or ambiguities in, or omissions from, the solicitation, including the drawings and/or specifications, he or she shall notify the Procurement Official at least five (5) days prior to the date set for the opening of bids. If necessary, the Procurement Official will send a written addendum for clarification to all Bidders no later than three (3) days before the date set for opening of bids. Notifications regarding specifications will not be considered if received within five (5) days of the date set for opening of bids.

17. RESPONSE TO SOLICITATIONS – In the event a vendor cannot submit a bid on a solicitation, he or she is requested to return the solicitation cover sheet with an explanation as to why he or she is unable to bid on these requirements. Because of the large number of firms listed on the Procurement Opportunities List, it may be necessary to delete from this list the names of those persons, firms or corporations who fail to respond after having been invited to bid for three (3) successive solicitations. In submitting a bid each Bidder shall, by virtue of submitting a bid, guarantee that he or she has not been a party with other Bidders to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bids of participating Bidders. To carry out and support a major element of the above certification, the Contractor shall certify to the Town that all Contractor's employees and all employees of each of Contractor's subcontractors working on the subject of this contract are legally eligible for employment in the United States. This certification shall take the form of a general certificate that as to each such employee the federal I-9 employment eligibility verification process, or federal Employment Eligibility Verification (E-Verify) Program, or both has been undergone; and the Contractor's agreement to update this assurance for new employees and to be audited by the Town for compliance with the contractual provision identified as (i) above. During this audit, Contractor shall provide Town access to any public documentation that relates to verifying the employee's legal eligibility for employment in the United States and that relates to employees of the Contractor or of any subcontractor working on the subject of this contract, in cases where the Town harbors a reasonable suspicion that such employee(s) may be not legally eligible for employment in the United States. The documentation will indicate that the federal I-9 employment eligibility verification process or the federal Employment Eligibility Verification (E-Verify) Program or both as to each such employee has or has not been undergone. The Contractor shall not produce documentation in this regard that is explicitly prohibited by federal or Virginia law from public disclosure. The documentation may take the form of an affidavit of the Contractor. The purpose and tenor of such certification and documentation are to indicate that each such employee met legal eligibility requirements for employment in the United States, and is so legally eligible to work in the United States, according to this contract provision. The presence of an alien not legally eligible for employment in the United States working on the subject of this contract among other things shall constitute a breach of this contract. Since damages for such a breach would be uncertain and difficult to determine, Town's damages (among others) for such breach shall equal the amount paid by the Contractor or subcontractor as wages to each alien not legally eligible for employment in the United States. This provision shall not limit or replace any other contract damages Town may seek or be entitled to by law. The Contractor shall include and enforce the language in this paragraph in every subcontract issued under this contract and shall require the subcontractor to do the same.

2. The Town Manager shall enforce this language by appropriate administrative steps.
3. This resolution constitutes a legislative position of the Town Council and an administrative requirement upon the Town Manager. The resolution does not constitute a criminal or penal measure of the Town.
4. This resolution supersedes Resolution 06-G-116, adopted October 10, 2006.
5. This resolution shall be effective on and after the date of its adoption.

49. ANTI-TRUST – By entering into a Contract, the Contractor conveys, sells, assigns and transfers to the Town all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust law of the United States and the Town of Herndon, relating to the particular goods or services purchased or acquired by the Town under said Contract. Consistent and continued tie bidding could cause rejection of bids by the Procurement Official and/or investigation for Anti-Trust violations.

50. PAYMENT TERMS – Unless otherwise provided in the solicitation, payment will be made forty-five (45) days after receipt of a proper invoice, or forty-five (45) days after receipt of all goods or acceptance of work, whichever is the latter.

- a. Invoices for items/services ordered, delivered/performed and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the Contract number, purchase order number and any federal employer identification number.
- b. Any payment terms requiring payment in less than 45 days will be regarded as requiring payment 45 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 45 days, however.
- c. The date of payment shall be deemed the date of postmark in all cases where payment is made by mail.

51. PAYMENT TO SUBCONTRACTORS – A Contractor awarded a Contract under this solicitation is hereby obligated:

- a. To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Town for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; (or)
- b. To notify the Town and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Town, except for amounts withheld as stated in b above. The date of mailing of any payment by U.S. mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Town.

52 ASSIGNMENT OF CONTRACT – A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Procurement Official.

53. DEFAULT – In case of failure to deliver goods or services in accordance with the Contract terms and conditions, the Town, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to other remedies which the Town may have.

54. NON-LIABILITY – The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, the transportation carrier, act of God, act of Government, act of an alien enemy or by any other circumstances which, in the Procurement Official's opinion, are beyond the control of the Contractor. Under such circumstances, however, the Procurement Official may, at his or her discretion, cancel the Contract.

5. ANTI-DISCRIMINATION – By submitting their bids/proposals, Bidders/Offerors certify to the Town that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act and Section 2.2-4311 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the Contract on the basis of the recipients religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, 2.2-4343 (E)). In every Contract over \$10,000 the provisions in a (a) and (b) below apply:

- a. During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

b. The Contractor will include the provisions of the foregoing paragraphs a, b, and c above in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

56. OFFICE OF SMALL BUSINESS –

a. It is the policy of the Town as declared by the Town Council's adoption of a Small and Minority Business Enterprise Program that its employees undertake every effort to increase opportunity for utilization of small or minority businesses in all aspects of procurement to the maximum extent feasible.

b. In connection with the performance of this Contract, the Contractor agrees to use his or her best effort to carry out this policy and to ensure that small and minority businesses shall have the maximum practicable opportunity to compete for subcontract work under this Contract consistent with the efficient performance of this Contract.

c. As used in this Contract the term small business means a corporation, partnership, or sole proprietorship, or other legal entity formed for the purpose of making a profit, which is independently owned and operated, has either fewer than 100 employees, or less than \$1,000,000 in annual receipts.

d. As used in this Contract, the term "minority business" means a business enterprise that is at least 51 percent owned and controlled by a minority person or persons. Such persons include African Americans, Hispanic Americans, Asian Americans, American Indians, Eskimos and Aleuts; women regardless of race or ethnicity; and persons with a physical impairment that substantially limits one or more of the major life activities of such individuals, a record of such impairment, or who are regarded as having such an impairment.

e. Contractors may rely on oral or written representations by subcontractors regarding their status as small and/or minority business enterprises in lieu of independent investigation.

f. Where Federal grants or monies are involved it is the policy of the Town, through its agents and employees, to comply with the requirements set forth in the U.S. Office of Management and Budget Circular No. A-102, uniform administrative requirements for Grants and Cooperative Agreements with State and Local Governments, as they pertain to small and minority business utilization.

57. GUARANTEES & WARRANTIES – All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Procurement Official before final payment on the Contract is made. Unless otherwise stated, manufacturer's standard warranty applies.

58. PRICE REDUCTION – If at any time after the date of the bid the Contractor makes a general price reduction in the comparable price of any material covered by the Contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this Contract for the duration of the Contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's

customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the Contract documents. The Contractor in addition will within ten days of any general price reduction notify the Procurement Official of such reduction by letter. FAILURE TO DO SO MAY REQUIRE TERMINATION OF THE CONTRACT. Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by the Procurement Official.

The Contractor, if requested, shall furnish, within ten (10) days after the end of the Contract period, a statement certifying either (1) that no general price reduction, as defined above, was made after the date of the bid, or (2) if any such general price reductions were made, that as provided above, they were reported to the Procurement Official within ten (10) days and ordering offices were billed at the reduced prices. Where one or more such general price reductions were made, the statement furnished by the Contractor shall include with respect to each price reduction (1) the date when notice of any such reduction was issued, (2) the effective date of the reduction, and (3) the date when the Procurement Official was notified of any such reduction.

59. MODIFICATION OF CONTRACT – the Procurement Official may upon agreement with the Contractor, issue a written modification to the Contract within the general scope thereof, during performance. However, no fixed-price Contract may be increased over the life of the Contract by amounts totaling more than twenty percent (20%) of the amount of the Contract or thirty thousand dollars (\$30,000) whichever is LESS without the advance written approval of the Town Council. In no event may the amount of any Contract be increased for any purpose without adequate consideration. Relief of a Bidder/Offeree from the consequences of an error in its bid/Offeree is prohibited without adequate consideration. Should it become proper or necessary in the execution of this Contract to make any change in design or to make any alterations which will increase the expense, the Procurement Official shall determine an equitable adjustment. No payment shall be made to the Contractor for any extra material or services, or of any greater amount of money than stipulated to be paid in the Contract, unless some changes in or additions to the Contract requiring additional outlay by the Contractor shall first have been expressly authorized and ordered in writing by Contract amendment or otherwise furnished by the Procurement Official.

60. PLACING OF ORDERS – Orders against Contracts will be placed with the Contractor on a Purchase Order executed and released by the Procurement Official or his or her designee. The Purchase Order must bear the appropriate Contract number and date. Where Blanket Purchase Orders (BPOs) have been executed and a Blanket Purchase Order has been released by the Procurement Official, telephonic orders may be placed directly with the Contractor by authorized personnel in the Town.

61. ADDITIONS/DELETIONS – The Town reserves the right to add similar items/services or delete items/services specified in the resultant Contract as requirements change during the period of the Contract. The Town and the Contractor mutually agree to prices for items/services to be added to the Contract. Contract amendments will be issued for all additions or deletions.

DELIVERY PROVISIONS

62. SHIPPING INSTRUCTIONS - CONSIGNMENT – Unless otherwise specified in the solicitation each case, crate, barrel, package, etc., delivered under the Contract must be plainly stenciled or securely tagged, stating the Contractor's name, purchase order number, and delivery address as indicated in the order. Where shipping containers are to be used, each container must be marked with the purchase order number, name of the Contractor, the name of the item, the item number, and the quantity contained therein. Deliveries must be made within the hours of 8:30 AM - 5:00 PM (Monday - Friday). Deliveries at any other time will not be accepted unless specific arrangements have been previously made with the storekeeper at the delivery point. No deliveries will be accepted on Saturdays, Sundays and holidays, unless previous arrangements have been made. It shall be the responsibility of the Contractor to insure compliance with these instructions for items that are drop-shipped.

63. RESPONSIBILITY FOR SUPPLIES TENDERED – Unless otherwise specified in the solicitation, the Contractor shall be responsible for the materials or supplies covered by the Contract until they are delivered at the designated point, but the Contractor shall bear all risk on rejected materials or supplies after notice of rejection.

Rejected materials or supplies must be removed by and at the expense of the Contractor promptly after notification of rejection, unless public health and safety require immediate destruction or other disposal of rejected delivery. If rejected materials are not removed by the Contractor within ten (10) days after date of notification, the Town may return the rejected materials or supplies to the Contractor at his or her risk and expense or dispose of them as its own property.

64. INSPECTIONS – Inspection and acceptance of materials or supplies will be made after delivery at destinations herein specified unless otherwise stated. If inspection is made after delivery at destination herein specified, the Town will bear the expense of inspection except for the value of samples used in case of rejection. Final inspection shall be conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the Town for such materials or supplies as are not in accordance with the specifications.

65. COMPLIANCE – Delivery must be made as ordered and in accordance with the solicitation or as directed by the Procurement Official when not in conflict with the bid. The decision of the Procurement Official as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of goods by the purchaser shall rest with the Contractor. Any request for extension of time of delivery from that specified must be approved by the Procurement Official, such extension applying only to the particular item or shipment affected. Should the Contractor be delayed by the Town, there shall be added to the time of completion a time equal to the period of such delay caused by the Town. However, the Contractor shall not be entitled to claim damages or extra compensation for such delay or suspension. These conditions may vary for construction Contracts. See Special Provisions for the individual solicitation.

66. POINT OF DESTINATION – All materials shipped to the Town must be shipped F.O.B. DESTINATION unless otherwise stated in the Contract or purchase order. The materials must be delivered to the "Ship to" address indicated on the purchase order.

67. ADDITIONAL CHARGES – Unless bought F.O.B. In such cases, difference between freight or mail and express charges may be added to invoice.

68. METHOD AND CONTAINERS – Unless otherwise specified, goods shall be delivered in commercial packages in standard commercial containers, so constructed as to ensure acceptance by common or other carrier for safe transportation to the point of delivery. Containers become the property of the Town unless otherwise specified by Bidder.

69. WEIGHT CHECKING – Deliveries shall be subject to re-weighing over official sealed scales designated by the Town. Payments shall be made on the basis of net weight of materials delivered. Normal shrinkage may be allowed in such instances where shrinkage is possible. Net weights only, exclusive of containers or wrapping, shall be paid for by the Town.

70. DEMURRAGE AND RE-SPOTTING – The Town will be responsible for demurrage charges only when such charges accrue because of the Town's negligence in unloading the materials. The Town will pay railroad charges due to the re-spotting of cars, only when such re-spotting is ordered by the Town.

71. REPLACEMENT – Materials or components that have been rejected by the Procurement Official, in accordance with the terms of a Contract, shall be replaced by the Contractor at no cost to the Town.

72. PACKING SLIPS OR DELIVERY TICKETS – All shipments shall be accompanied by Packing Slips or Delivery Tickets and shall contain the following information for each item delivered:

3. The Quantity Ordered,

BILLING – Billing for the agencies: Unless otherwise specified on the Contract or purchase order, invoices are to be submitted, in DUPLICATE, for each purchase order immediately upon completion of the shipment or services. If shipment is made by freight or express, the original Bill of Lading, properly receipted, must be attached to the invoice. Invoices should be mailed to the "BILL TO" address on the P.O. or to the appropriate address specified below:

A further allowance of 25% may be made when the equipment is installed and ready for test. The balance shall be paid after the equipment is tested and found to be satisfactory. If the equipment must be tested, but installation is not required to be made by the Contractor or if the equipment must be installed but testing is not required, payment may be made on the basis of 75% at the time of delivery and the balance shall be paid after satisfactory test or installation is completed.

If such a benefit has been received or will be received, this fact shall be disclosed with the bid or proposal or as soon thereafter as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, or rescission of the Contract made, or could affect payment pursuant to the terms of the Contract.

b. Whenever there is reason to believe that a financial benefit of the sort described in paragraph a has been or will be received in connection with a bid, proposal or Contract, and that the Contractor has failed to disclose such benefit or has inadequately disclosed it, the Town Executive, as a prerequisite to payment pursuant to the Contract, or at any other time, may require the Contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.

 3. Conviction under the state or federal antitrust statutes arising out of the submission of bids or proposals;

1. failure without good cause to perform in accordance with the specifications or within the time limit provided in the Contract; or
 2. a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more Contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the Contractor shall not be considered to be a basis for suspension or debarment;

85. APPEAL OF DETERMINATION OF NONRESPONSIBILITY –

- a. Any Bidder who, despite being the apparent low Bidder, is determined not to be a responsible Bidder for a particular Town Contract shall be notified in writing by the Procurement Official. Such notice shall state the basis for the determination, which shall be final unless the Bidder appeals the decision within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia. The Bidder may not institute legal action until all statutory requirements have been met.
- b. If, upon appeal, it is determined that the decision of the Procurement Official was arbitrary or capricious and the award for the particular Town Contract in question has not been made, the sole relief available to the Bidder shall be a finding that the Bidders a responsible Bidder for the Town Contract in question. Where the award has been made and performance has begun, the Town may declare the Contract void upon a finding that this action is in the best interest of the public. Where a Contract is declared void, the performing Contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing Contractor be entitled to lost profits.

86. PROTEST OF AWARD OR DECISION TO AWARD –

Any potential Bidder or Offeror on a Contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such Contract shall submit such protest in the same manner no later than ten (10) days after posting or publication of the notice of such Contract. However, if the protest of any actual or potential Bidder or Offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction which are subject to inspection, then the time within which the protest must be submitted shall expire ten days after those records are available for inspection by such Bidder or Offeror or at such later time. No protest shall lie for a claim that the selected Bidder or Offeror is not a responsible Bidder or Offeror. The written protest shall include the basis for the protest and the relief sought. The Procurement Official shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. This decision shall be final unless the Bidder or Offeror appeals within ten (10) days of receipt of the written decision by instituting legal action as provided in the Code of Virginia.

b. If prior to award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Procurement Official shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a Contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the Contract may be declared void by the Town. Where the award has been made and performance has begun, the Procurement Official may declare the Contract void upon a finding that this action is in the best interest of the Town.
